I Request Tribal Led Drum Circles Open To Public Participation At Los Cerritos Wetlands RE: Joint Meeting of the Environmental Quality Control Board & Recreation & Parks Commission

I Would Like To Hear The True Tribal Religion Story From The Lineage Of The People Of This Land. However, I Do Not Want To Take Datura As I Do Not Believe It Is A Necessity According To The Tribal Story (I Could Be Wrong) And Toxicity Is So High. Is There A Specific Aspect Of The Story That Identifies Datura As The Only Way To The Spirit?

Despite Christianity's Atrocious Colonial History In This Land, Please Consider The Real Flesh And Blood Of Jesus Christ Which Can Also Be Grown On This Land. We Could Ask The Native American Church And Santo Daime For A Consultation In Order To Integrate Each Other's Beliefs. Actively Going Through The Process Of Integrating Each Others Beliefs Without Reaching Unmovable Finalization Is Enough For Me. That Goes For All Religions Practiced In This Land.

For the parking meters, I have not heard about the ability to validate parking. If the city sacrifices some revenue to give businesses/local residents/regulars some autonomy, I think the parking meters would have a better chance. (Although I think Cannabis would be a much better revenue opportunity, I want locally grown which takes time.)

For the water meter rates, locally grown Cannabis would increase the demand for water drastically. The growth of other Plant Medicines could add even more to this demand.

Please add up all the money spent on the road of Westminster Blvd starting from Seal Beach Blvd.

For the media thing, the general idea is great, but the dollar amount sounds like a lot and the business idea of membership sounds unlikely due to availability of technology. I do think that Seal Beach should try to make cultural media that could draw people here, have local advertisement/sponsorship, bridge the generation gaps, and strengthen community. I'd be willing to participate.

I am still waiting to hear voiced corrections of the record simply stating the whole truth of the law by police and attorney. They can add their professional opinion afterwards, but their statements thus far are intentionally deceitful and disenfranchising to the people of Seal Beach. I believe the 30 days have expired.

"Circumcision" Is Not Sexual Assault; It Is A "Sign" From "GOD" (Genesis 17:9-11).

"You have heard that it was said, 'Eye for eye, and tooth for tooth.' But I tell you, do not resist an evil person. If anyone slaps you on the right cheek, turn to them the other cheek also. And if anyone wants to sue you and take your shirt, hand over your coat as well. If anyone forces you to go one mile, go with them two miles. Give to the one who asks you, and do not turn away from the one who wants to borrow from you."

"You have heard that it was said, 'Love your neighbor and hate your enemy.' But I tell you, love your enemies and pray for those who persecute you, that you may be children of your Father in heaven. He causes his sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous. If you love those who love you, what reward will you get? Are not even the tax collectors doing that? And if you greet only your own people, what are you doing more than others? Do not even pagans do that? Be perfect, therefore, as your heavenly Father is perfect" (Matthew 5:38-48).
